Customer Reviews

The words in this score and not what is generally used in recordings at major opera companies. The words tend to be more kid friendly, not too scary. Sometimes the vowel sounds on higher notes are not the best choice for singers. The piano in most sections is well filled in but difficult. In some of the barer sections it is rather scarce and leaves the singer unsupported in some instances. Still it is singable and widely used by smaller companies.

Excellent

Excellent

Very great edition with easy to follow score.

Exactly what I needed - and it even arrived early.

great music and lyrics, easy to use as play piano, price is right, will enjoy for future, wonderful opera

score

This was exactly what I was looking for...a beautiful piano score with English parts. The condition was excellent/new.

It's only in English and it's the first G Schirmer score I've ever bought and it's not had the original language of the score as well as the English - so very disappointed. need to ensure with scores we are able to view a page inside the score to ensure it has the language we need it in - or have it in the description. Very let down.
