Nautical Scenes To Paint Or Color (Dover Art Coloring Book)

Synopsis

From a diminutive rowboat on a pond to a grand luxury liner by moonlight, these 23 illustrations portray an appealing variety of nautical scenes. Realistic drawings depict a deserted beach, fishermen at work, a tranquil alpine lake, a sailboat regatta, and other evocative images. Each page is perforated and printed in light gray lines that virtually disappear when painted or colored, resulting in a professional-looking finished product.

Customer Reviews

I like this book about Nautical Scenes to paint or color. The lines in it are very light and easy to cover up. I do acrylic painting, and am also into markers and other kinds art media. I would recommend this book to others who enjoy art.

I really love all the Dot Barlowe's art. This book is about the ocean, beach, and lighthouse. Great theme to color. I really like the perforated pages and the drawings are single sided with faint lines. You can either paint or color in. All of the Dover books are very lovely. I own a lot of adult coloring books, but I own more from Dover and Creative Haven than any of the others. I bought this book because of the lighthouse on the cover.

The scenes in this book allow for a lot of different things to color. It's not all the same. That's what makes it interesting.

Thank you so much for a great and speedy shipment and packaging. These coloring books are just right for color pencils. Hours of fun and to relax and unwind.

I WAS HOPING FOR MORE LIGHT HOUSES AND LESS SAIL BOATS, SAIL GET MONOTONOUS AFTER A WHILE. I LIKED THE LITTLE TOWNS THEY WERE CUTE IN THE BACKGROUND.

Very pretty. However, it's really not suited for coloring. Water Colors would work much better.

I have been buying these books for awhile now and I just love them. I highly recommend all the adult coloring books by Dover.

love it
