Donald Michael Kraig graduated from UCLA with a degree in philosophy. He also studied public speaking and music (traditional and experimental) on the university level. After a decade of personal study and practice, he began ten years of teaching courses in the Southern California area on such topics as Kabbalah, Tarot, Magic, Tantra, and Psychic Development. He was a member of many spiritual and magical groups and was an initiated Tantric.

Every edition of this book has been a great reference piece. As always, it is not a definitive encyclopedia of knowledge, but a great primer to start your magickal practice, build upon your current practice, or even just to use a refresher.

If you want to learn High/Ceremonial Magic then this is the first book you should get, and maybe the only book you will ever need! Buy it!

This well written manual guides the solitary practitioner in performing ceremonial magic while supporting individuals pursuing these activities within a lodge environment. It is an excellent adjunct to formal high magic training.

Great book full of effective techniques. Easy to understand and use.

Although some holes (everyone's path is open to interpretation), this is an extremely helpful book. Very informative for the beginning and I recommend. I've read it 3 times and it has helped.

The best book out there on this

good

I was struggling to get started in a Hermetic-based tradition, and this fit the bill perfectly. Well organized and laid out with great introduction and pacing. Easy to understand if you're a complete novice.
