## Customer Reviews

Gr 2 "The jokes may be a tad cheesy, but elementary students will delight in retelling these simple one-liners. ("Why wouldn't the skeleton go snowboarding down the mountain? He didn't have the guts." "Which baseball player makes the best Christmas cakes? The batter.") Containing everything from knock-knock to question-and-answer jokes, this slim title is sure to entertain kids right in time for the holiday season. Families can share a laugh around the fireplace or the kitchen table. VERDICT Recommended wherever joke books are in demand.-Elizabeth Anne Ragain, Springfield Public Schools, MO

The first-ever Christmas collection from the #1 bestselling series Laugh-Out-Loud Jokes for Kids! A perfect stocking stuffer, this modern classic is chock-full of brand-new seasonal jokes perfect for caroling, holiday parties, and decking the halls together—“merriness guaranteed!

Bought several of these from the same author for my 2 boys 10 and 5 years old, whom read maybe better than I do sometimes and love LOVE jokes, knock knock jokes, riddles, and rhymes and yes some are even cute but I can't help but to feel I spent way too much money on these. The jokes are repeated some 10 times over and over in some cases and maybe thrice in 2 pages and that is where my frustration comes from. I purchased the first editions then in hopes for more content bought the extra eds and the frustration led me to buy the one with all of them and the problem only got worse. I do however appreciate the authors efforts for compiling all these jokes, and rhymes together but unfortunately the repetition of the same jokes over and over took the 5 star merit away. So for a couple good jokes 2 stars is too much. Sorry for being too blunt but I really thought these would be jokes my witty, sometimes loud obnoxious, spirited and super curious boys would enjoy. Now I'm wishing I could return them but if I do I'll break their hearts even when they sigh a lot asking me why are so many jokes repeated here. Note to the author: Please stop copying and pasting the same content/joke from the previous page or when you've ran out of imagination. Make something up. Kids love spontaneity! I'm sure the Internet is full of innocent jokes to be had and explored, innocent enough for kids like mine whom have taken YOUR BOOKS to show and tell to show them off as their favorite books in the world. A little more effort shows appreciation for the people engaging, buying, reading your books and ultimately sharing with loved ones the few good jokes. I say this with the outmost love, admiration and respect. Come on Rob! Show my boys better! I'm sure not many people will tell you their toddler at 4 years old calls YOU his favorite jokes book writer in the world. (he couldn't say author, and he just turned 5 and reads like a spelling bee champion!) The stars are only because of the smile on my kiddos face. That deserved kudos but more Stars for the content of the books weren't earned. I, however, will continue to hope for a better book for my little guy's love with your books.

My 9 year old loves jokes and riddles, so this was the perfect holiday book for her.

I buy these for my grandkids and they love them.

Another great joke book for kids. Great to put in their Christmas stockings.

Oh what fun for the family at Christmas! I got a copy for all of my children and their kids. Children should learn to read and joke books are a great incentive to reading.

I am sure she will enjoy it.

Lots of fun for my 6 year old!

My 9 yr old son loves this book. He got a karaoke machine and used the microphone to read off these jokes to the family. A new comedian in the making!
