## Customer Reviews

“I LOVE to give people The Jesus Storybook Bible because from the very first chapter it paints a powerful picture of God’s epic love for each one of us. Sally Lloyd-Jones has a unique way of inviting the reader, young or old, to dive in and discover for themselves the truth and hope of the greatest story ever told.”  
—Amy Grant (Amy Grant)  
“Sharing the Gospel with The Jesus Storybook Bible has been one of the greatest privileges of my life.”  
—Ann Voskamp (Ann Voskamp)  
“I would urge not just families with young children to get this book, but every Christian—from pew warmers, to ministry leaders, seminarians and even theologians! Sally Lloyd-Jones has captured the heart of what it means to find Christ in all the scriptures, and has made clear even to little children that all God’s revelation has been about Jesus from the beginning—a truth not all that commonly recognized even among the very learned.”  
—Dr. Timothy Keller, NYC (Dr. Timothy Keller)  
“The Jesus

Storybook Bible is as theological as it is charming – a very grown up children's Bible – Christianity Today (Christianity Today) – “The Jesus Storybook Bible is unlike any other storybook. True, that – as to be expected when you combine the mesmerizing illustrations of Jago and the award-winning writing of Sally Lloyd-Jones, a Brit with an uncanny knack for storytelling. – More to Life Magazine (More to Life Magazine)

this thing is an awesome read..... I am a grown woman and I have a hard time comprehending the regular King James version and even tried several different versions but I couldn't get past the lineage and I was confused i'm almost through it . and the way its written it gives you a way different perspective then the Bible but all the stories all have the same consequences and morals. the best thing is I can hand this down to my nieces and nephews! or donate it to the church.... through this story book bible I know more then I even did before. it gets to the point. and the cd's that come with it are nice too if you would rather listen the three cd's are perfect.

This is my second purchase of the Jesus Storybook Bible for my household. I've purchase numerous more for friends. I read one story for my son each night before bed... and had to purchase a second copy for my daughter (who is still too young to understand/read) because she was so interested in it. I love how this really delivers the message in a simple without taking away from the important content. This particular version came with a CD, however my kids would rather hear me read :).

I got this for our 4 year old granddaughter for Christmas. She was mesmerized right from the

beginning and listened to it straight through, twice! It is absolutely fabulous. The illustrations are quirky-gorgeous, the stories are incredibly written, and having David Suchet narrate is just altogether lovely. I will certainly be buying this for each of our other kids as they start their families. Highly recommend!

My 4 year old and I were hooked from the intro. Such a beautiful way to share the truth of God's word with children. I heard the good old story's with fresh ears. Well written "paraphrasing" that's true to scripture and gets more in depth than the preschool aged beginner bibles. I look forward to starting side by side devotionals with my daughter using the verse references to compare in my "grown up" bible.

Great gift for my senior mom, who loves the simple and clear way the gospel is presented in this wonderful children's Bible.

Great Bible for toddlers and kids!! Really captivating way of telling the Bible stories, and fantastic illustrations as well!

This book is wonderful. We use it in our Sunday night church activities for kindergarteners thru second graders. The stories are short and easy to read. The illustrations are charming. I bought one for my granddaughter who is 8 and she adores it. The stories can be read, or listened to on the accompanying cd. The songs on the cd are excellent also.

Wonderful rendition of the Bible for kids. My daughter loves the pictures and the gospel is brought to life on every page.
