Matt Christopher is the best selling name behind more than 100 sports-themed books for young readers.

My 8 year old son loved this series! When the last one came he couldn't wait to read to see who won. We are hoping for more books!

Got it in kindle version for my 12 year old boy and he finished it by lunch time the second day. Wish he read all books this voraciously!

I sincerely believe that Matt Christopher hit this book out of the park. Great word choice and excellent use of figurative language. You always want Liam and Carter to succeed even when they have to play against each other in the Little League World Series! I have read all 5 books in this series and I would give each of them a perfect 5 star rating.

Our 9yr old hasn't found many books that have grabbed his attention, until this series. Highly recommend, especially if your child plays Little League. They'll be able to relate to it.

This book was one of the best books I've read in my whole entire life. Definitely consider reading this book.

This book was good because I love baseball and the friendships and the expirences seem great and if I were there I would love it too

BEST BOOK EVER!!!!!!!
